I understand that I am required to purchase the textbook before I can borrow an alternative textbook. It is a violation of Federal Law and Access, Disability Services and Resources policy for students to share, duplicate, upload or distribute alternative text media. I also understand that doing so may result in the loss of the alternative textbook accommodation and/or legal action.

### Requested Titles

If your book is not available in one of our online libraries, a request must be made to your publisher in order to obtain your book. In many cases, this is often a lengthy process. If you are requesting a textbook that comes in a bundle, please indicate ISBNs separately. If you would only like certain textbooks in alternative format, indicate so here, otherwise we will provide all textbooks. You can choose to have different textbooks in different format below.
